L'ACTUALITÉ BANDE DESSINÉE DES ÉDITIONS CASTERMAN – HIVER 2009

ÉDITION SPÉCIALE ANGOULÊME

Forte présence pour Casterman au générique du Festival : nombreux auteurs en dédicaces, concerts de dessins... Plus de renseignements sur notre stand.

Quand Casterman rencontre Rivages

Foisonnement d'images sur fond de roman noir : Rivages Noir s'incarne en bande dessinée, avec la complicité de Casterman.

25 ans, une vie de Chat !

En 25 ans de carrière, le Chat est devenu bien davantage qu'un personnage de bande dessinée : une icône.

Et le reste n'est que littérature !

Autour de Jirô Taniguchi, des auteurs d'horizons graphiques et narratifs divers font d'Ecritures une collection clé de Casterman.

Un monstre sacré de la bande dessinée

Jacques Martin est un infatigable conteur d'histoires, plus que jamais sous le feu des projecteurs, avec Alix, Jhen et Lefranc.

CASTERMAN À ANGOULÊME

Six livres en compétition officielle. Les labels KSTR, Rivages/Casterman/Noir et Hua Shu à l'honneur. Un grand cru, assurément.
